FAVORITES SUCCESSFUL IN FIVE OF YESTERDAY'S RACES AT LATONIA.

Presumption the Only One That Fails to Race Up to Expectations.—Two Jockeys Suspended for Remainder of the Meeting.

Cincinnati, O., July 1.—Five favorites in succession rewarded the public this afternoon at Latonia and made amends for the discomfort arising from the intense heat prevailing here. Presumption, from the James MacManus stable, was the only beaten favorite. He failed to get any portion of the purse in the closing dash, for which he ruled at odds-on. The McDowell establishment again scored a double, this time with Gracilla and Star Actress. Both were ridden by E. Martin. The sport was interesting and enjoyed by a fairly large attendance. The betting showed an increase over that of yesterday.

A handicap at six furlongs in which some fairly good sprinters engaged, resulted in victory for Casey Jones, on which Loftus had the mount. Pan Zareta outstayed Benanet in the final drive for second place. The winner, under good handling, followed the leaders to the last turn, then passed into the lead and won well in hand.

The public began auspiciously when they selected Ralph as likely to win the opener. He made good in decisive fashion, with San Vega beating Shepherdess for second money. Weber & Ward's recently acquired Winning Witch spreadeagled her opponents in the second race and won eased up to a canter. Gracilla graudated from the maiden class in the third race after a sharp drive to dispose of Red Star. The McDowell filly suffered interference soon after the start when Red Star cut across in front of her, but she recovered quickly.

The closing dash furnished the best contest of the afternoon and the purse went to Sonada in a hard drive, with U Steppa in second place and Impression, which had been the leader up to the last furlong, beating the others.

The stewards suspended Jockey J. Henry for the remainder of the meeting for rough riding in the closing race.

Jockey Steele was suspended for the remainder of the meeting by the starter for insubordination at the post.

Most of those who had signified an intention of shipping to Porter failed to do so and as a result less than two cars of horses left for the Indiana course this afternoon. Among those who declined to go were J. F. Newman & Son, R. L. Rogers, G. B. Morris and J. K. Allen.

The horses owned by W. O. Joplin were transferred yesterday from Douglas Park to Fort Erie.

J. W. May announced a change in his shipping plans and will send his horses to Windsor next week. He had intended shipping to Fort Erie.

Phil Hymans will send his string to Saratoga, excepting Granite, which he turned out at J. B. Respess' farm until fall racing is resumed in Kentucky.

Mose Goldblatt will take the J. Livingston horses to Saratoga after the close of racing here. Foundation will go with the consignment.

Eugene Elrod will send ten mutuel machines to North Randall for the opening of the grand circuit. He will be in charge of the betting there during the trots and will take with him a force consisting of five cashiers, five ticket sellers, two calculators, two money counters and the full ticket room force. The racing at North Randall will begin July 7 and continue until July 11. In addition to using the mutuel method of betting on heats it will also be used in connection with the results of each race.

Jockey W. Andress sustained a bad fall shortly after the start of the fifth race while riding Imen, but escaped with a shaking up and a badly cut mouth.

R. J. MacKenzie's string will be shipped to-night to Windsor to await the opening of racing there. The George M. Hendrie consignment will also be shipped there to-night.

J. B. Respess' consignment went to-day to Fort Erie where they will begin their Canadian invasion. They will be campaigned in Canada until fall racing is resumed in Kentucky.

Baythorn, a brother to Hawthorn, was destroyed yesterday as a result of blood poisoning.

J. C. Cahn will ship his horses to Douglas Park to rest until fall.

H. Cochran, the one-time crack rider, is considering a return to the saddle and has made application for a license to ride.

J. O. Keene has decided on taking fifteen horses to Saratoga and will leave shortly after the close of racing here. Merode, Lord Marshall and two maiden two-year-olds will be shipped to the Camden farm to rest until fall.

The two-horse combination, comprising Winning Witch and Gracilla, paid $12.30 for $2. Casey Jones, Star Actress and Sonada, which constituted the three-horse, paid $116.50 for $2.

Writing from New York to friends here, Barney Schreiber states that the racing in the Empire State appears to be in a healthy condition and that he looks for constant improvement.

Trainer Jack Baker will rest his string of horses, including C. C. Van Meter's Kentucky Oaks winner, Cream, at Lexington until fall, shipping there as soon as the present Latonia meeting is ended. Cream was never in better racing condition, but in consequence of having won the Oaks, there have been few races on the Latonia program in which she was eligible to start where, under the weights, she would have a winning chance. Baker thinks that the fall programs will give her a chance to race frequently.

The following were among the work-outs of this morning at Latonia:

NOTES OF THE TURF.

Tigella, the Celt—Tsarina two-year-old filly that J. L. Holland purchased out of the Kohler sale for $550, was afterward sold to S. N. Holman. She will be shipped to Canada to race.

It has been figured out that the average cost of keeping a race horse in France is $1,000 a year. The total training expenses in France, not taking into account interest on the capital invested in the various stables, is placed at $5,600,000. The total of the prizes offered is $3,600,000. Hence the owners meet an annual deficit of $2,000,000.

KINGLY SHOWS GOOD FORM

MRS. L. A. LIVINGSTON UNCOVERS PROMISING CANDIDATE FOR CANADIAN DERBY HONORS.

Colt Is Returned Winner of National Handicap at Hamilton and Wins Many Friends—Hamilton Attendance Records Are Shattered.

Hamilton, Ont., July 1.—All records for attendance were smashed at the Hamilton course this afternoon. Dominion Day brought out a tremendous gathering that packed every available space within the enclosure. The first three races were held back to await the arrival of a second special train from Toronto that was delayed en route and the horses were not called to the post for the fourth race until 4:41. A splendid program was provided by the club, the feature of which was the National Handicap, a dash of one mile and an eighth, to which $2,000 was added. Only five of the eight carded went to the post, with Kleburne having the call with the bettors. The race was a spirited struggle from the moment the barrier was sprung. Kingly going into the lead and racing head and head with Kleburne until the last fifty yards, where the favorite faltered. Kingly went on with rare courage and in the final drive withstood Buskin's rush to win by a neck. The fractional time of the race was 24, 48, 1:12⅖, 1:38⅘, 1:51⅘. Froglegs, the top weight, was fourth. With good racing luck he probably would have won. Buxton made the mistake of trying to go through on the inside of Buskin on the turn out of the backstretch and was promptly shut off. Mr. Schorr's colt pulled up lame after the race. Kingly is being prepared for his engagement in the Canadian Derby, to be run at Fort Erie on Wednesday, July 9, and on his performance this afternoon he looks capable of giving any of the three-year-olds shown a good argument.

The brief history of the National Handicap is as follows:

Year.	Winner.	A.	Wt.	Jockey.	Val.	Time.
1909	Plaudmore	3	93	T. Chandler.	$1,340	1:51⅘
1910	Seismic	5	109	Musgrave	1,240	1:52⅘
1911	Meridian	3	114	G. Archib'd	1,815	1:51⅖
1912	Ocean Bound	5	115	McTaggart	1,790	1:50⅘
1913	Kingly	3	95	Montour	1,610	1:51⅘

The Davies stable figured prominently in the afternoon's results. It furnished the winner of the first race in Perpetual, while the Davies entry, First Sight and Calgary, ran first and second in the Beamsville Purse, a dash of one mile and a sixteenth.

Lizzie Flat duplicated her victory of the opening day when she won the Mount Hope Steeplechase over the two-miles' course. She and First Sight were the only winning favorites of the afternoon. The closest finish of the day came with the running of the seventh race, which was over the grass course. Mollie S., with Obert in the saddle, came through the homestretch with a great rush and just managed to get up in time to beat Ta Nun Da a nose.

Amos Turney's great three-year-old Horron worked a mile over the Hamilton track this morning as follows: 34⅘, 59, 1:12, 1:26, 1:39. This was his final move in preparation for the Fourth of July Handicap, to be run at Fort Erie on Friday.

Willie Shields left with the McGraw and Ryan horses for Fort Erie this morning. E. W. Moore, Roddy P. Marshall, Earl Linnell and A. G. Weston will leave with their strings tomorrow.

J. W. Graver has arranged to take up the yearlings owned by George M. and J. S. Hendrie. There are thirteen in the lot and they will be shipped to the Woodbine track at Toronto on Thursday.

Will Wallace will turn The Widow Moon out at the conclusion of the Fort Erie meeting. She will be rested until the re-opening of racing on the Kentucky tracks.

GERMANY MAY LICENSE BOOKMAKERS.

A telegram from Berlin to the Daily Chronicle says: "The bookmaker question is one which has long agitated German sporting circles. For the last 30 years bookmaking, according to the strict letter of the law, is 'verboten,' like so many things in the Fatherland, yet the profession has contrived to run its business and to prosper to a fair extent. In every second beershop, in hairdressing saloons and tobacconists' establishments, bets subrosa are made.

"Now the whole position is about to be changed. The government has been considering the matter, and a bill has been drafted which will be laid before parliament. In Germany, as in France, the pari-mutuel system is in vogue and the government at present taxes all transactions on that machine to the extent of about 16 per cent. On the Berlin race courses last year it is reckoned that the total business amounted to 30,000,000 marks ($7,500,000). Now it is proposed to reduce the tax to 12 per cent. Of that the state will take half, the other 6 per cent. will go to the various rennvereine, or racing associations for the purposes of horse breeding.

"The government hopes to lose no reveune by the decrease, as the bookmaker tax will preserve and possibly increase the amount that the state receives. As to the bookmakers, the bill provides for the recognition of a certain number in each large town. The figure is to be fixed according to the population.

"When betting with a bookmaker cash must be paid, and the smallest amount that can be put on for a win or place will, it is proposed, be five marks. This five-mark minimum is not popular in sporting circles. In fixing it the state is no doubt taking a fraternal interest in the person of moderate means, whom it does not wish to encourage to bet, but, it is argued, on the other hand, that such a restriction will have the result of making him a customer of the unregistered bookmaker, whom it is not advisable to encourage."
